ES SERIES

Classic Style Electric Guitars

Sawtooth

Each guitar is put through a 24 point inspection and given a certified set up by one of our highly qualified technicians, so you can play right out of the box!

Sawtooth guitars are the best value in electric guitar design. These highly versatile electric guitars offer solid tone, classic styling and are suited for all styles of music.

Crafted to give you a great-sounding, sleek-looking, easy playing electric guitar with a vintage vibe. The ES Series is perfect for any student, beginner or aspiring musician and will also meet the approval of a seasoned guitarist.

Sawtooth ES Guitars come with built-in upgrades, like 3-ply pickguards, chrome tuners, upgraded Truss rod covers, nuts and knobs. All come with a tremolo system for maximum sustain.
